M D M D F S S

The grid consists of a 10x50 grid of small squares. Black lines are drawn at various heights across the columns, creating a stepped pattern. The pattern starts with a line at height 1 in column 1, then height 2 in column 2, height 3 in column 3, height 4 in column 4, height 5 in column 5, height 6 in column 6, height 7 in column 7, height 8 in column 8, height 9 in column 9, and height 10 in column 10. This sequence of lines repeats every 10 columns.

---

A series of horizontal lines for writing, consisting of 28 evenly spaced lines extending across the right side of the page.
